

The background is a light green color with various abstract shapes and dots in shades of orange, red, and white. There are large irregular orange shapes, a red oval outline, a red circle, and several small dots scattered throughout.

Wire Art

Made by: Tala Alsulami

Brief about the Project

A wire sculpture is a figure, piece of jewelry, or other decorative item that has been formed and shaped out of wire. Wire sculpting utilizes different techniques and tools to generate different styles and looks.

Materials

Wire

Pliers

Base

Steps

Step 01

Bend the wires

Step 02

Shape into the desired form

Step 03

Twist to secure in place

Step 04

Join wires together for more details

Step 05

Finalize the figure and cut excess wire for a cleaner look

Step 06

Attach to the base
