What is our wire art?

Wire art is a type of art made by shaping wire into fun shapes to create beautiful pieces, you can also use wire to create jewelry. Using wires to create jewelry dates back to the 2nd dynasty.

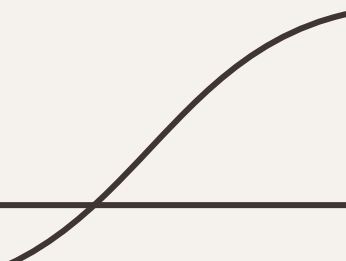

For this project we are going to create a wire art piece.

Materials we will need.

- Wires
- Pliers
- A base such as clay, a rock, a canvas (I will use clay)
- A printed out reference

•

Steps

Step 1: Choose a reference.

Step 2: Print out a photo of your reference.

Step 3: Sculpt your art using the wires.

Step 4: Attach your piece to your base.
