

A decorative border made of dark green wire art, featuring large, stylized, swirling flourishes at the corners and bottom, and a central floral-like motif at the top. The border is set against a light beige background.

Wire Art

Hala Alghamdi

Introduction

Wire sculpture is the creation of sculpture or jewelry (sometimes called wire wrap jewelry) out of wire. The use of metal wire in jewelry dates back to the 2nd Dynasty in Egypt and to the Bronze and Iron Ages in Europe.

Result

A decorative border made of dark green, stylized scrollwork and floral motifs, framing the central text. The border is composed of four main sections: a top section with a central floral-like motif, a bottom section with a similar motif, and two side sections with flowing, curved lines ending in small scrolls.
