

Portrait Art

Made by: Tala bahamdain

Explanation

A portrait is a painting, photograph, sculpture, or other artistic representation of a person, in which the face and its expression is predominant (the main or most focused on). The intent is to display the likeness, personality, and even the mood of the person.

Materials

1\ Paper

2\ Reference picture

3\ Drawing pencils and colours

4\ Paint and water colour

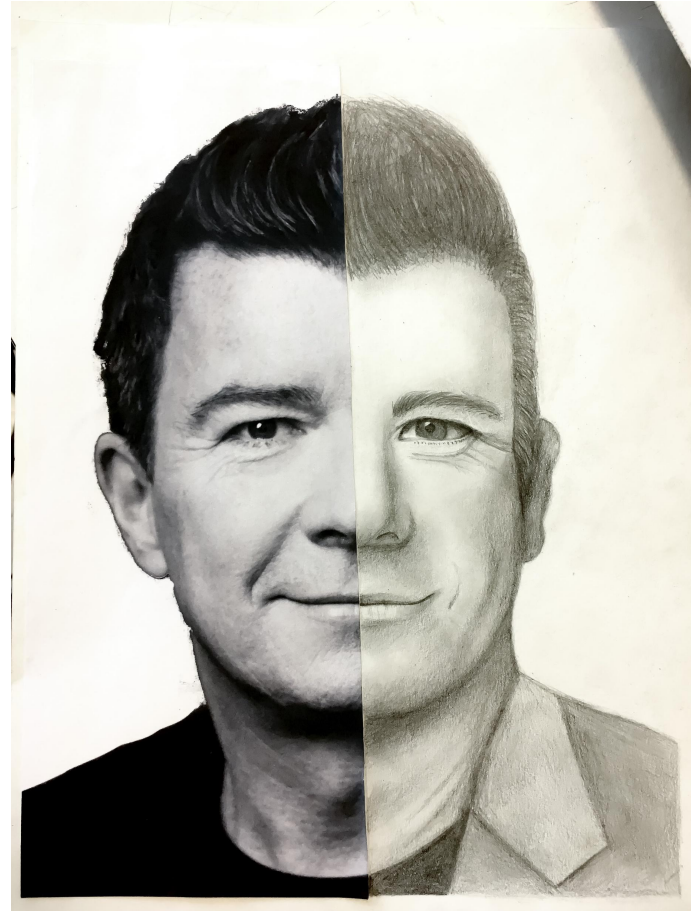

My Project

In my project, I will try to make a half face portrait. It will be half picture of a person. And, in the other half, I'll draw it. But, if it didn't work, I will make a full-face portrait.
